

Turbo-charged: 'Princes Amongst Men' captures the passion of gypsy music

Various Artists

Princes Amongst Men – Journeys
With Gypsy Musicians
Asphalt Tango, £13.99

Author Garth Cartwright went to the Balkans looking for passion and adventure, and, judging from this rousing soundtrack to his book *Princes Amongst Men*, he certainly found them. From turbo-charged brass-band stomps to tragic gypsy ballads, this is a hugely entertaining catalogue of wayward passion and blood-stirring intensity.
