

Toni Iordache

Sounds From A Bygone Age Vol

ASPHALT TANGO

Arguably the best yet in a series that has unearthed gypsy gold recorded in Romania between 1960 and 1980. The most-popular wedding musician of his time and the king of the cimbalom, Iordache's collection sits next to those by Ion Petre Stoican, Dona Dumitru Siminica and Romica Puceanu. This could be dangerously habit-forming for Taraf fans.
